. . . Dedicate Our Book

To Miss Helen Geller

"Hola, nino!" is her cheery greeting. Or perhaps she responds with a friendly "Bonjour, mon enfant" when often throughout the day a student calls "Hello."

The kindness, the understanding, and the gentle encouragement of the petite Miss Helen Geller endear her to all who know her. Her vivacity and contagious enthusiasm spark the imagination of her French and Spanish students and, with her mastery of languages, contribute to excellent classroom presentations.

Willingness to help others is evident in Miss Geller's extensive extra-curricular work. As Head of the Language Department she takes an active interest in the language clubs. She serves as a member of the casting committee for school plays and as director of the costume committee for the Girls' Club Show. Her calmness and patience are invaluable during the emergencies of a quick costume change or of a lost collar button!

To Mademoiselle Geller of the sprightly personality and of the warm and friendly spirit, we are happy to dedicate our Tabula.

In Memoriam

Mr. Richard Paxton

For thirty-three years room 141 served as a workshop and Mr. Paxton as "at-school dad" for hundreds of boys interested in working with wood. Mr. Paxton's slow smile, his approving look, or his hand on a boy's shoulder in commendation of good work held more meaning than any grades in the book. The wood-working we may forget today or tomorrow, but we shall never forget the big, gray-haired man in the green shop coat.

Mr. Paxton was an expert in the designing, construction, and finishing of furniture, much of which stands as a testimonial to him in many homes of the area. He also used his skill for humanitarian purposes and designed game boards and crutches that were widely used in World War II.

Surely Mr. Paxton's lifelong skill in creative work, and his patient interest in boys, have become a part of us and of the fine traditions of the school.

Dr. Eugene Youngert

Administration

Oak Park and River Forest High School is efficiently and devotedly governed by the Board of Education. These men and women, busy with their homes, their businesses, and their other civic duties, find time to serve well the educational interests of the community and the school.

Dr. Eugene Youngert, as superintendent, directs the activities of our school. He works toward maintaining the high standards of which we've always been proud. His work beyond the school on sectional and national committees and in educational meetings has brought added prestige to our school.

Board of Education

Left to right: Miss Ruth Horner, Mr. L. H. Fritzemeier, Dr. Charlotte Grant, Mr. Keith Cady, Mr. Russell Fuog, Miss Velma Ball, Mr. George Seymour, Dr. Eva Pring.

Deans

The eight deans of this school serve as teachers, counselors, and friends. They give students and parents information on technical problems, as well as advice on personal worries.

The first-year adjustment of high school life is aided by Miss Pring and Mr. Seymour. Further advice on courses comes from the sophomore deans, Miss Ball and Mr. Fuog. In the junior year, Mrs. Grant and Mr. Cady, aided by a testing program, help us to determine our personal abilities. Miss Horner and Mr. Fritzemeier counsel us in our senior year of vocational and college planning.

Councils Direct Activity

Student Council, with Dr. Eugene Youngert as its adviser, consists of a representative group of students chosen by their respective classes. Besides being a faculty-student link, this council is also responsible for the Information Desk in the front hall and the selling of programs at the basketball games.

Safety Council, the largest council in the school, is divided into six groups, all of which are under the supervision of Mr. J. Russell Storey.

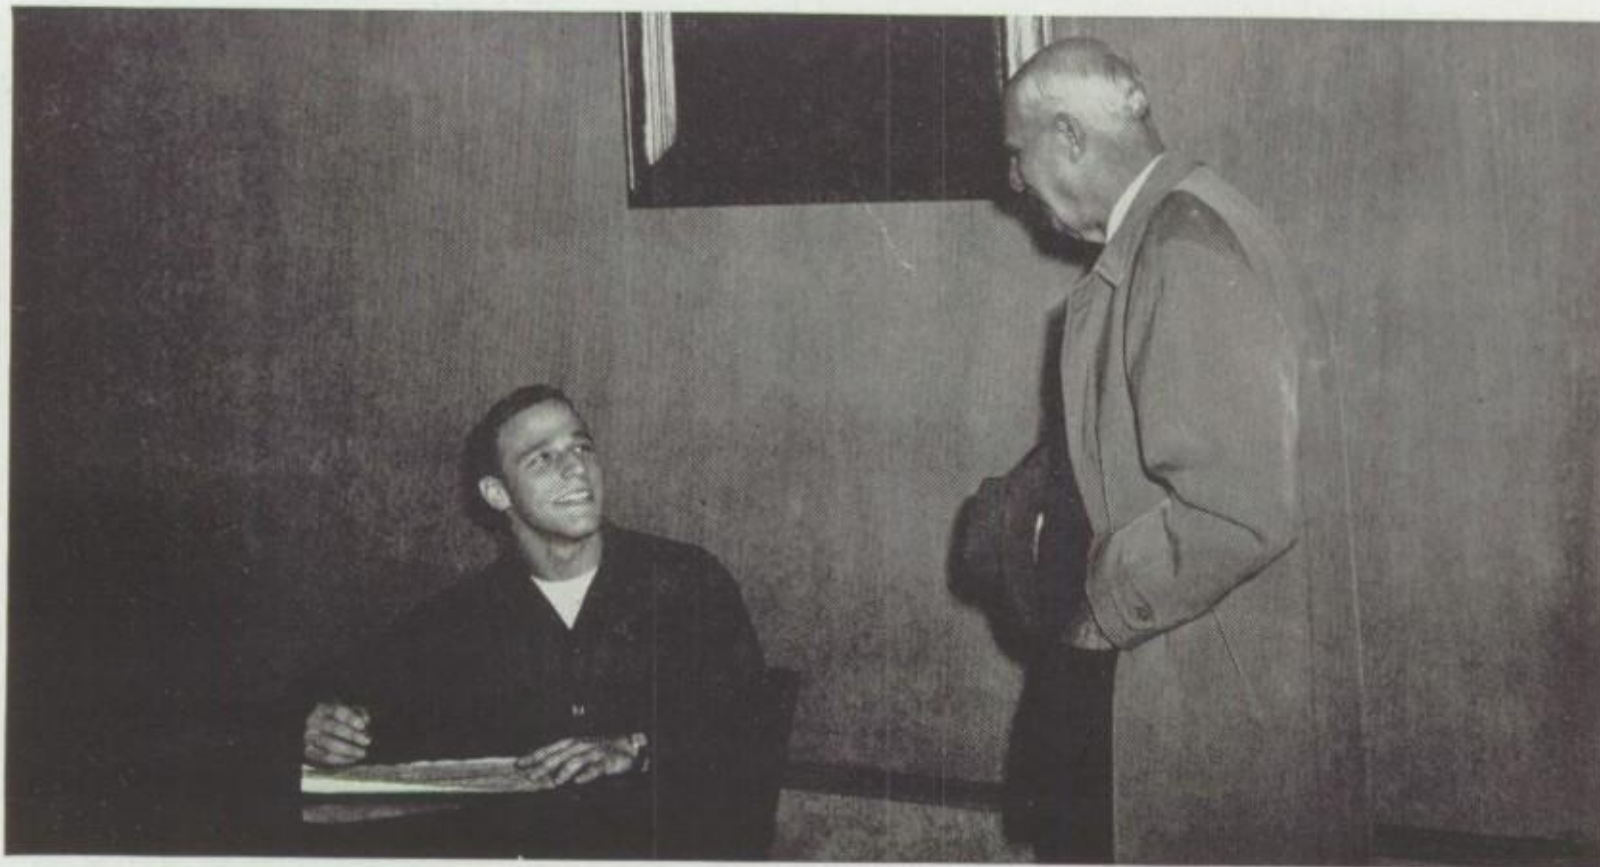

Smoking Council, consisting of senior and junior boys, enforces the school's smoking rules.

... For Generous Purposes

Every girl enrolled in this school is a member of Girls' Club. New girls are welcomed throughout the summer and into and throughout the entire school year by the officers of Girls' Club. They take the new girls on a tour of the school building in order to help them get acquainted and to make their first days a little easier.

Girls' Club sponsors parties, including the New Girls' party, Big-Little Sister party for freshman and senior girls, and the individual class parties.

Each year, in order to raise money to send to Chicago Commons, Girls' Club holds Tag Day. This year, the collection topped all previous records with a total of \$839.27. With this money, Girls' Club gave

the traditional Christmas party for a group of children at Commons, complete with stockings, a tree, Santa Claus, refreshments, and a program. The remaining money was donated to the Commons for equipment.

Girls' Club plans the Career Conferences that are held throughout the year, sends get-well cards to girls who have been sick for a long time, and sets up the Girls' Service committees for the year. Early in the spring, an annual Suburban Girls' Conference is held, to which Girls' Club sends representatives.

Three girls' assemblies are held: a fall assembly, a Christmas assembly, and a spring assembly. At the latter, the officers for the next year are announced.

Four years of English are required for graduation. The first two years are devoted to background literature in myths, the Old Testament, poetry, plays, and novels, and to grammar and paragraph composition.

The third-year course is American Lit-

erature; longer compositions culminate in the long, formal theme. The fourth-year course may be chosen from English Literature, English Readings, Expository Writing, Creative Writing, Journalism, Senior Composition and Public Speaking.

Miss Crawford, librarian, instructs juniors in use of libraries for their themes.

History

The History Department offers a variety of courses. Among these are Early European and World History, one of which is required for graduation. A year of American History, including instruction in national and local government, is also required.

Majors in history usually follow Early European History with Later European or Modern History. Latin-American History is a semester course. Another semester course is Community Civics, which is offered to freshmen only. Those juniors and seniors interested in the study of human relationships may take Sociology or Social Problems.

German music is always fun.

Languages

All roads lead to Rome.

Four years of French, German, and Spanish are offered by the Foreign Language Department. Stress is placed upon understanding and speaking the language with considerable fluency. The first two years present the fundamental skills, and the last two develop real ability in the written and spoken language and in the reading of literature.

In the first two years of Latin courses, basic forms of grammar and the relationship between English and Latin are stressed. The third and fourth years are alternated each year between selections from Virgil's "Aeneid" and from Cicero's works.

The Girls' Physical Education Department offers courses in a variety of seasonal sports—tennis, bowling, golf, hockey, baseball, and basketball; in swimming—beginning, synchronized, and life-saving; in dance—modern, square, and folk; in rhythmical exercises; and in posture correction. This year a six-week course in First Aid was offered. After-school sports are offered too.

Boys' Physical Education

The addition to the field house, completed in March, provided some badly needed space and many new facilities. The installation of a wrestling room added another activity to the Physical Education Department's already comprehensive program.

The department sponsors an intramural program and a First Aid course.

Oscar helps the Biology class but needs support from Mr. McMEnamin and John Berges.

Sue Dietrich does some analytical work.

Physical Sciences

If a physical science is chosen for the natural science requirement, it may be taken from one of the following: Physiography, Physics, or Chemistry. The laboratory courses are given to juniors and seniors in well-equipped physics and chemistry laboratories. Physiography may be taken by sophomores as well as by upperclassmen.

The courses are usually one semester in length and meet two periods a day. Well-equipped rooms make possible this variety of courses in art subjects.

The students often display their work in the art showcases and in the main showcases. Art students also show their work in projects.

Home Economics

The Home Economics Department offers work in Clothing, Foods, and Home Management. Each course lasts for one semester.

In Clothing I, II, and III, stress is placed upon good style and wardrobe selection. Garments are made in class, and remodeling is also done. In Foods I, II, and III, the student learns health values of foods, canning and freezing methods, the preparation and serving of meals, and the management of a food budget. In Home Management I and II, problems of household management are studied, and training in home nursing is given for six weeks.

Janet Timm and Elaine Schneider become expert in the art of cookery.

Industrial Arts

Many courses are offered by the Industrial Arts Department to both boys and girls. Among those for the boys are the following: Industrial Arts I and II, Advanced Metal, Machine Shop I and II, Auto Shop, Advanced Woodworking, Mechanical Drawing, Machine Drawing, and Architectural Drawing.

The following courses are offered to the girls: Industrial Arts, Mechanical Drawing, Machine Drawing, Architectural Drawing, and Metal Arts. Several shops are provided with excellent equipment for these courses.

Library

Our school is fortunate in having a well-equipped library, having 20,146 volumes, subscribing to over a hundred magazines, and providing many pamphlets.

Miss Crawford and Miss Wurtzbach, librarians, help students and teachers find material, instruct freshmen and other new students in use of the library, and guide classes in finding information for their long papers. Mrs. Pelz, library assistant, supervises the history library and instructs the student assistants there.

Students may take Library Practice for credit.

Projection Staff

The twenty-eight members of Projection Staff, supervised by Mr. Park, offer their services in running the audio-visual equipment. Their work includes showing films in our two projection rooms and performing assigned tasks necessary for such systematized projection work as our school provides. After two years on the staff the boys may receive credit.

This organization is busy every day showing films which present in tangible form subject matter supplementary to many courses, such as science, industrial arts, languages, history, and home economics.

Reading Improvement

Many students have taken advantage of the reading improvement program offered in the past few years. This non-credit course is taken for a minimum of twenty lessons, the weekly number varying with different students, and for as long as instruction is needed.

Two instruments are used to help a student increase his rate. These are the reading accelerator and the tachistoscope, which helps him read groups of words instead of single words. In addition, the student adds to his vocabulary and improves his general comprehension and study habits by receiving individual attention.

Driving Instruction

A non-credit course in driving instruction is offered to all students. This year Oak Park and River Forest High School obtained new equipment called the Drivotrainer, developed by the Aetna Casualty and Surety Company. This trainer offers students practical and safe instruction in driving.

While watching a film of a real highway on a screen in front of him, the student manipulates one of the fifteen Aetnacars. These cars are run by electricity and have controls that look and act exactly like those of real cars. The cars even stall when the clutch is released too soon.

Rules of the road are studied, and safe driving is emphasized.

These are future drivers.

Junior Deans

Dr. Grant and Mr. Cady discuss vocational tests.

The juniors, as influential upperclassmen, have many opportunities. They are eligible to join upperclass clubs and to try out for the Girls' Club Show. Many of them were cast in the 1953 play.

Juniors take various tests to determine their aptitudes. Two things that the new upperclassmen will always remember are the experience of the junior theme and the beauty of the Junior Prom.

Miss Ball, Mr. Fuog, and Mr. MacHenry Schafer listen attentively at the Sophomore Guidance Conference.

Sophomores have always wailed, "Why can't the freshmen climb these stairs to their lockers?" They will never forget the daily jaunts to the third floor or the rushing to lunch from study hall 311 or 328. "Stories in Verse," "David Copperfield," and "Plays as Experience" will always be a reminder of the sophomore year. The class has fine assemblies such as the electrical assembly, which is an annual favorite with sophomores.

The sophomores continue to acquaint themselves with the ways of our school by joining the many clubs and activities open to them.

Lynette Jackson tells the freshmen about Tag Day.

Refreshment!

Gene Epperly enjoys a cool drink.

The typical freshman is a person thrown into a situation completely new to him. It may take him a little time to feel that he is a real part of the school. Among the memories each freshman will retain always are those of trying to find his classrooms the first few days, of learning how to work the lock on his locker, and of getting to know the people in his classes.

Each home room has a Big Brother and Sister who inform freshmen about school activities and traditions, and advise on typical freshman problems.

Freshman English classes start the year by reading "The Yearling" and follow with myths and "Old Testament Stories." Some freshmen who "survive" the grammar test in November are approved by the Acceleration Committee for advancement to sophomore English second semester.

By second semester, the freshmen know each other well enough to elect their own council and also eight representatives to Student Council.

School Plays . . .

. . . Please Large Audiences

"What a Life"

"What A Life," sponsored by the Girls' Club, was presented on November 6 and 7 under the direction of Miss Dorothy Miller.

This high school comedy written by Clifford Goldsmith is based on several hilarious experiences of Henry Aldrich. The audience had an opportunity to laugh and at the same time take stock of the realities and difficulties of growing up. The interpretation eliminated much of the exaggeration often given the story. The cast played for human values with a sincerity that made the characters come to life. The result was real fun on both sides of the footlights.

"Leave that boy alone!"

"She's asking you whether you cheated, Henry!"

"Here, sign your name on this!"

"Can you lend me 50 cents?"
"Good morning! Lovely day!"
"Walking woods!"

Miss Dorothy Miller

Prompters: Sally Strehlke and Karin Drieske.

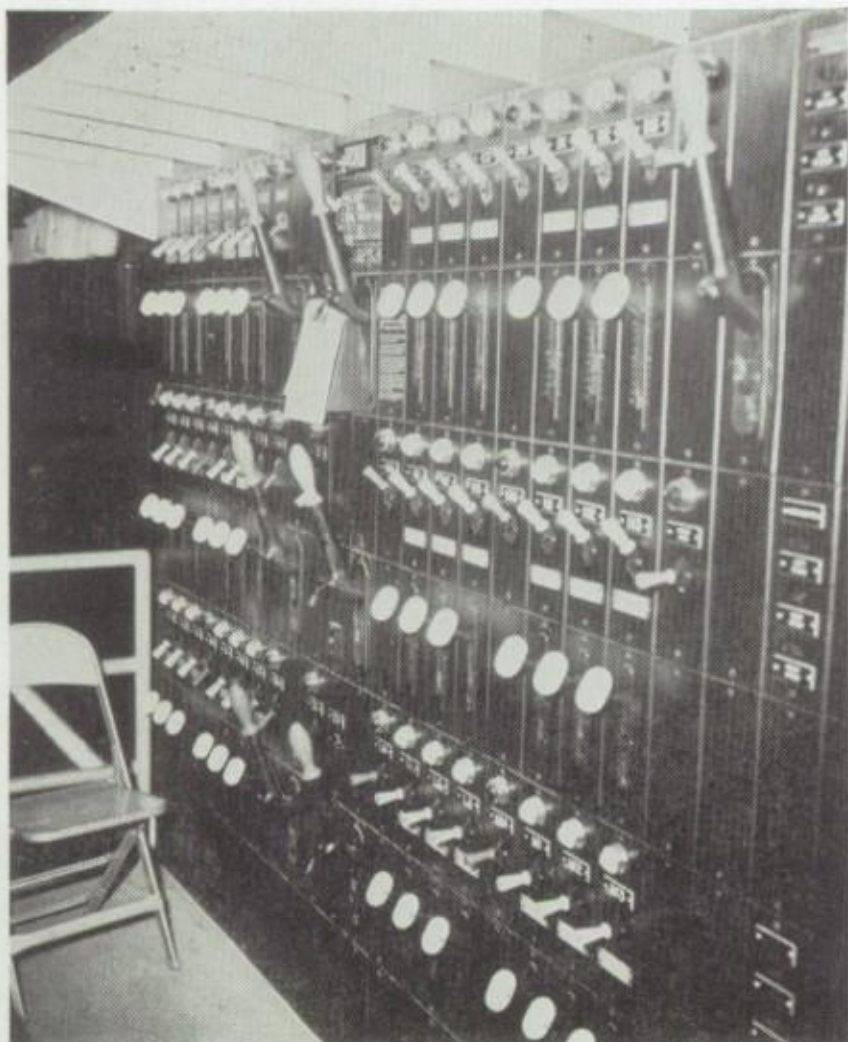

"You wanted to see me, Miss Shea?"

"I've got it, Mr. Bradley!"

"Put that inkwell down, Henry!"

The principal's office is a busy place before school.

Lights!

Back Stage

A good Stage Crew and responsible committees are necessary for dramatic productions. The Stage Crew builds and sets up scenery. This year the crew had to construct for the operetta an oak tree thirty-two feet long. Besides building scenery the Stage Crew learns the fundamentals of lighting and stage techniques. The Stage Crew members give generously of their time for all school productions.

The committees take care of many details. They furnish small props, assemble and press costumes, apply makeup, publicize the productions, sell tickets, and design interesting programs.

"The tiger's head!"

"The Yellow Jacket"

The Senior Class Play, under the direction of Mr. Knowles Cooke, was presented on May 7 and 8 in the high school auditorium. This play, "The Yellow Jacket," has been listed as the most successful adaptation in English of the form and spirit of Chinese drama. The conventions of the Chinese stage are used with a striking effect. The exotic costumes, startling make-up, and frequent lighting changes create a colorful production.

"The Yellow Jacket" is a romantic story of a chosen young man's life. The play includes all the critical periods of his life: his development as a youth, a lover, and as a mature man; his search for adventure, excitement, and satisfaction; and his discovery of the meaning to his life.

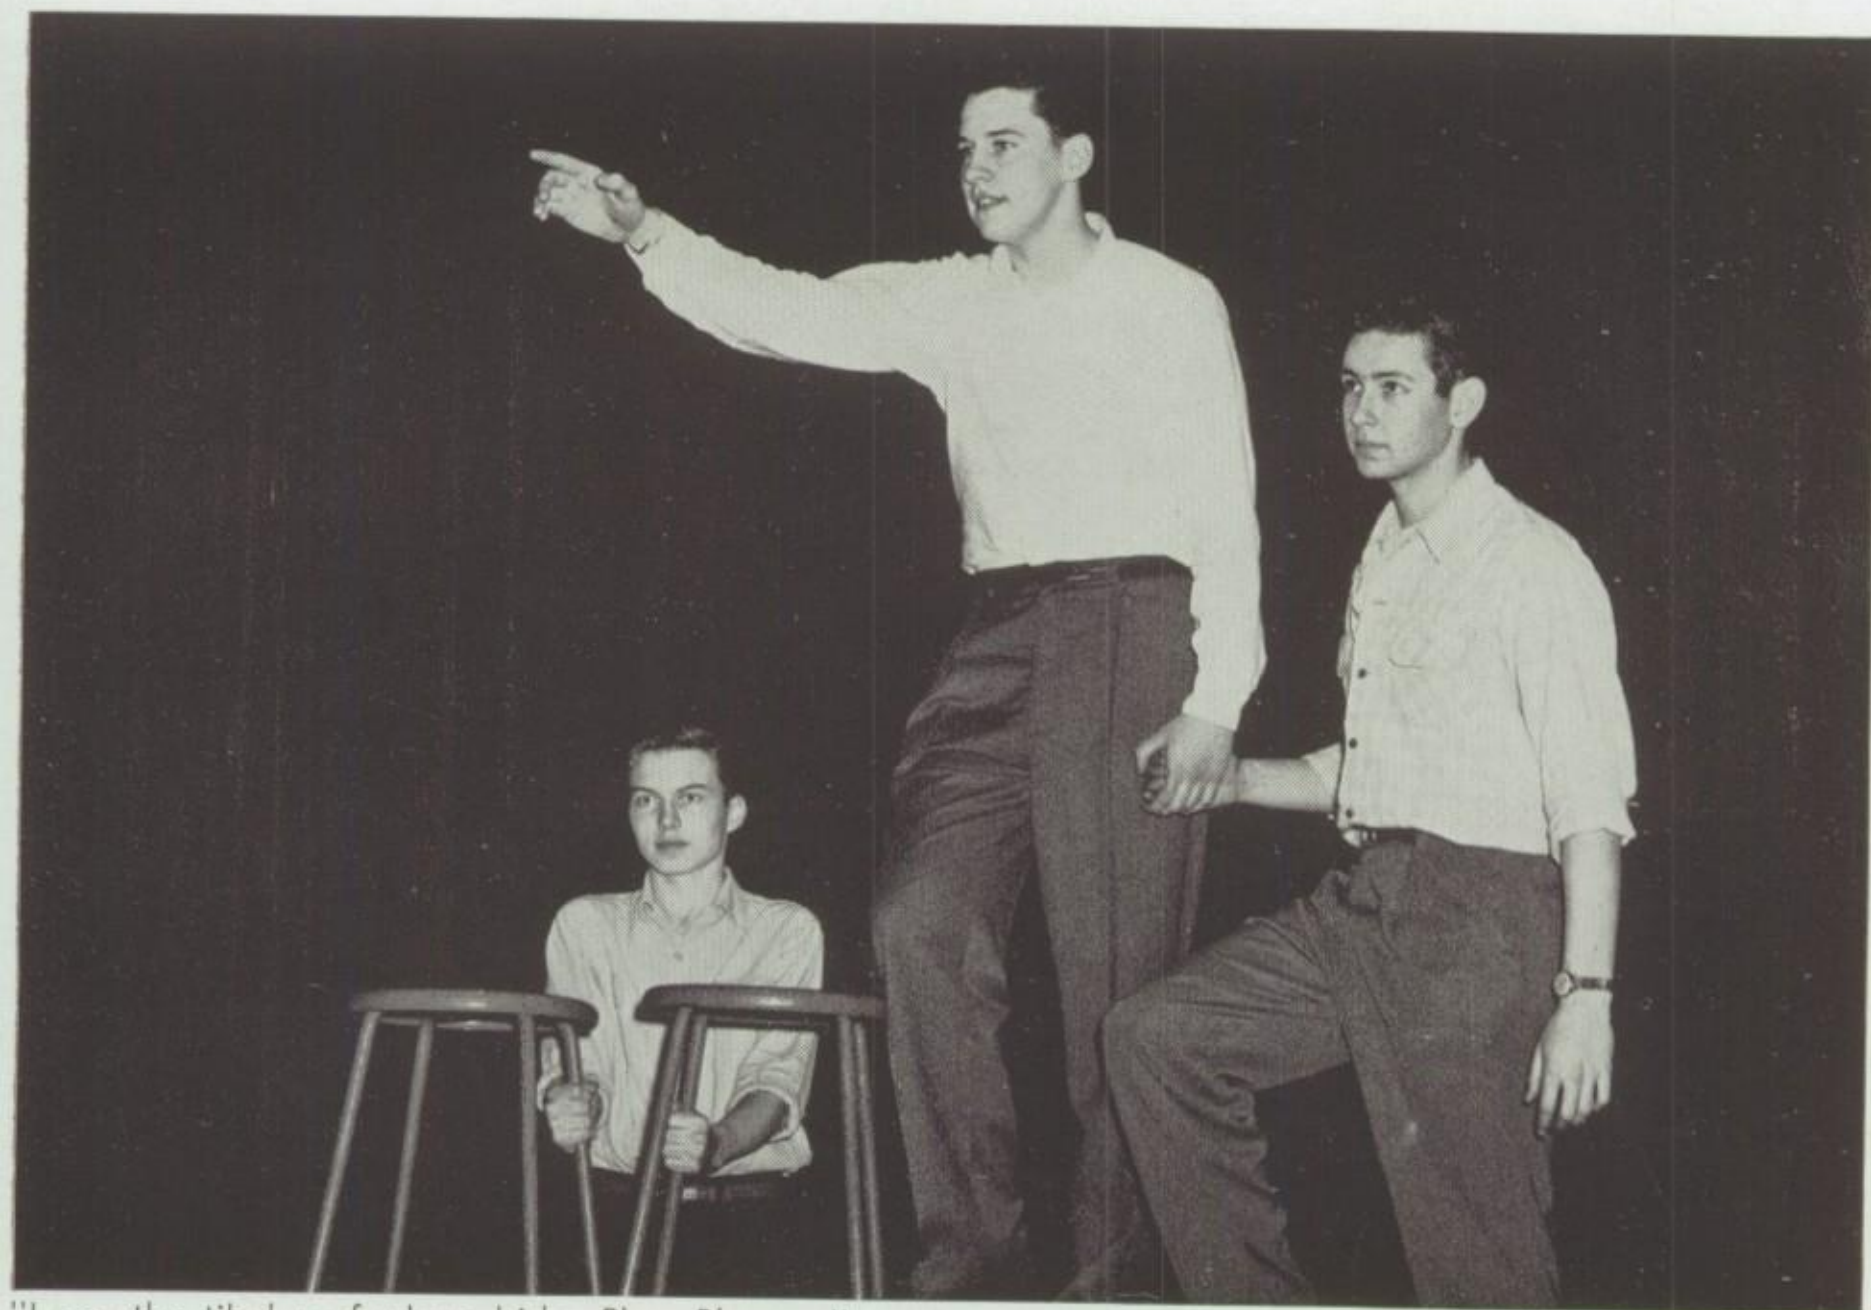

"A blind cat catches only a dead rat."

Christmas Vespers is one of the choir's most impressive programs. The choir takes part in the Christmas and spring concerts, the Easter Sunrise Service, and the Baccalaureate Service. Perhaps the most thrilling performance is the annual Gilbert and Sullivan operetta. This year the A Cappella Choir presented "Patience."

The membership of the small singing groups of our high school is taken almost entirely from the A Cappella Choir. These ensembles take part in many extra programs.

Mr. Harold Little

The Symphony Orchestra participates in all the Christmas concerts, the Spring Festival, and the Operetta. It provides the music for the Girls' Club Show, the Senior Class Play, and the Dance Demonstration. This year the orchestra's work was highlighted by the invitation to take part in the pageant celebrating the 100th anniversary of the founding of the Illinois Education Association. Being selected to play for this program was an unusual honor.

Mr. Harold Little directs the orchestra with the assistance of Mr. Frank Kratky. The fall concert soloists were Donald Schmalz, Richelle Brenner, Joan Morgan, and Carol Schultz.

"There will be too much of me in the coming bye and bye."

Varied Interests . . .

The thirty clubs of Oak Park and River Forest High School represent the largest single extracurricular activity available to all students. The club program includes departmental clubs, hobby clubs, debating clubs, and dramatic clubs.

The departmental clubs comprise the majority of the clubs in the school. They are directly related to the school subjects, providing the members with additional information to that which they learn in the classroom. Such activities as field trips, movies, and interesting programs are enjoyed.

The six hobby clubs bring together from all four classes students interested in common pastimes. They introduce some students to new hobbies and give

others a chance to develop their hobbies more fully. The activities of these clubs range from taking pictures to collecting stamps.

The members of each of the five debating clubs gain excellent experience not only in debating but in parliamentary procedure. Although a friendly spirit of rivalry is created among the clubs, joint meetings are held near the end of the year. Juniors and seniors are eligible to become members.

In the dramatic clubs, the members are offered the opportunity to participate in the presentation of plays. For the many students interested in acting, two clubs are provided. Masqueraders is organized for the sophomores and Footlights is for the juniors.

Sharon Howard presents an effective rebuttal.

Performing for Saludos Amigos are Sylvia Simpson (seated), Sharon Conger, Nancy Grant, Carole Gilman and Diane Burkiet.

The Meeting Will Please Come to Order!

Club membership is not a required part of the curriculum at Oak Park and River Forest High School, but the appeal of clubs is evidenced in the large number of students who participate.

The extent and variety of the club program almost guarantees a student the fun of joining together with boys and girls who share his particular interest.

Whether his bent is to music, debate, drama, language, history, sports, stamp and coin collecting, writing, or problems in math, the opportunity for gathering with friends furnishes the incentive to join.

Each club elects officers and governs itself with the aid and counsel of a faculty adviser. Nominal dues cover the expense of program activities and refreshments.

The bimonthly meetings give a large proportion of the students a welcome break in school routine.

Pep Club

Pep Club does card stunts.

Oak Park is fortunate to have so many people who work hard to give the squads the backing they deserve.

Mr. Morris Riebman heads three groups which have been the backbone of our school spirit: Pep Club, the Cheerleaders, and Marching Band.

Pep Club members have done a great deal to encourage Oak Park cheering. They have added new ideas such as card flashing and new cheers, and all in all have contributed a great deal to the school spirit at the games.

Cheerleaders

The Cheerleaders were captained by Bob Mertens. They practiced twice a week with Mr. Riebman and on Fridays after school with Pep Club.

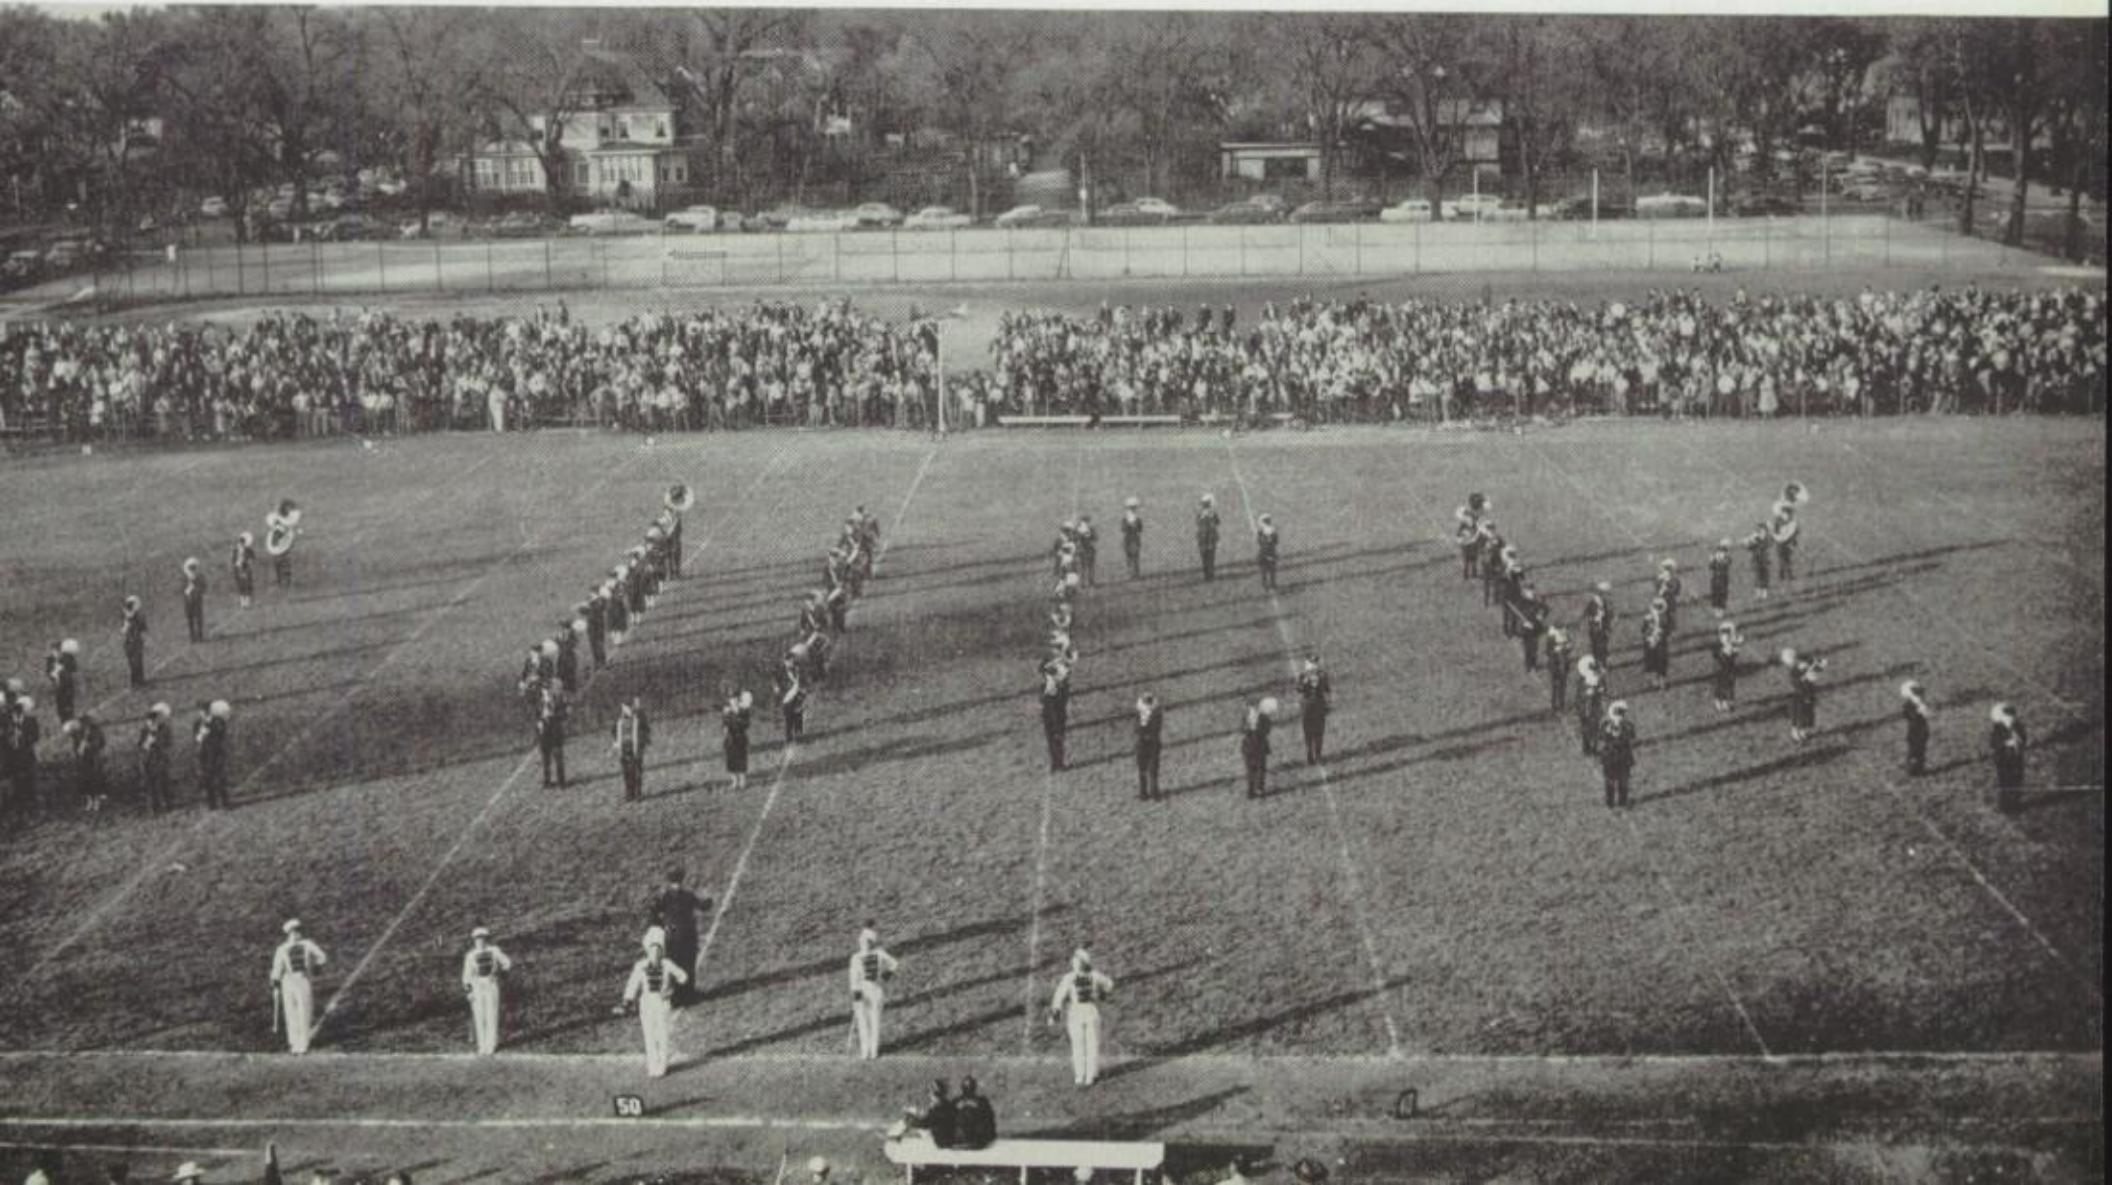

The Marching Band put on a varied collection of shows during the half times of the football games. Typical examples of the shows they put on were the three-ring circus, a Western routine, and a Red Feather show. The band also appeared at the basketball games at the request of the Varsity team and the student body.

Physical Education Demonstration

Girls do rhythmical exercises.

The Physical Education Demonstration, held every winter in the Boys' Field House, has, by far, the largest student participation of all shows put on by the school during the year. Everyone in gym classes, with the exception of the students in swimming or in band, takes part in the demonstration. Boys out for sports at the time are not in gym. From these athletes are chosen the ushers who direct the parents. The band has long provided most of the music for the demonstration and adds a great deal to the show's enjoyment. Thus everyone cooperates with the Physical Education Department to put on this great demonstration.

Dance Demonstration

The Dance Demonstration this year, directed by Miss Mary Klement, was put on by the dance classes and the after-school dance group. The modern classes danced five original compositions, the folk dancers did three numbers, and the square dancers performed three numbers.

The second part of the program was "Snow White and the Seven Dwarfs," danced by the after-school groups. Yvonne Brown danced Snow White; Francile Rector, the Queen Witch; Diane Addie, the Prince; Barbara Mattia, the Huntsman; and Jean Albright, Tobye Black, Sally Brenner, Sally Duncombe, Nancy Kilberg, Abigail Strain, and Judy Rubinstein, the Seven Dwarfs.

Atalanta

Atalanta is the girls' sports club. Any girl who has participated in after-school sports for at least one semester, and has acquired twenty-four points, can join this club. In order for a girl to stay in Atalanta, she must go out for a minimum of two sports per semester, and have gone out at least six nights for each sport. The awards are on the basis of the number of points earned, and are presented at the Christmas tea and the banquet in May.

Besides giving a tea, Atalanta also sponsors the Football Dance and various playdays in the fall and spring.

The main purpose of this club is to develop good sportsmanship and an active interest in sports for the girls.

Monogram Club

Monogram Club is a club of boys who have won major letters at Oak Park and River Forest High School. The club has been largely inactive this year, but it did sell popcorn, ice cream, and pop at the basketball games. The profits from the concessions were used to buy equipment for filming and showing Oak Park's athletic events, the pop-corn machine, and the furnishings for the new Monogram Club clubroom. The club also did much to encourage good sportsmanship at the games and to standardize the way monograms are to be worn.

Football Dance

This year, the theme of the Football Dance was "Stardust." The annual affair was put on by Atalanta, the girls' sports club, under the chairmanship of Virginia Carpenter, Atalanta's president. The Girls'

Physical Education teachers were the adult advisers of the dance.

The purpose of the dance is to honor the varsity teams of soccer, cross country, and football.

Drum Majorettes

The Drum Majorettes have become a standard attraction between halves of the football games. Together with the band, they put on a very colorful and interesting show.

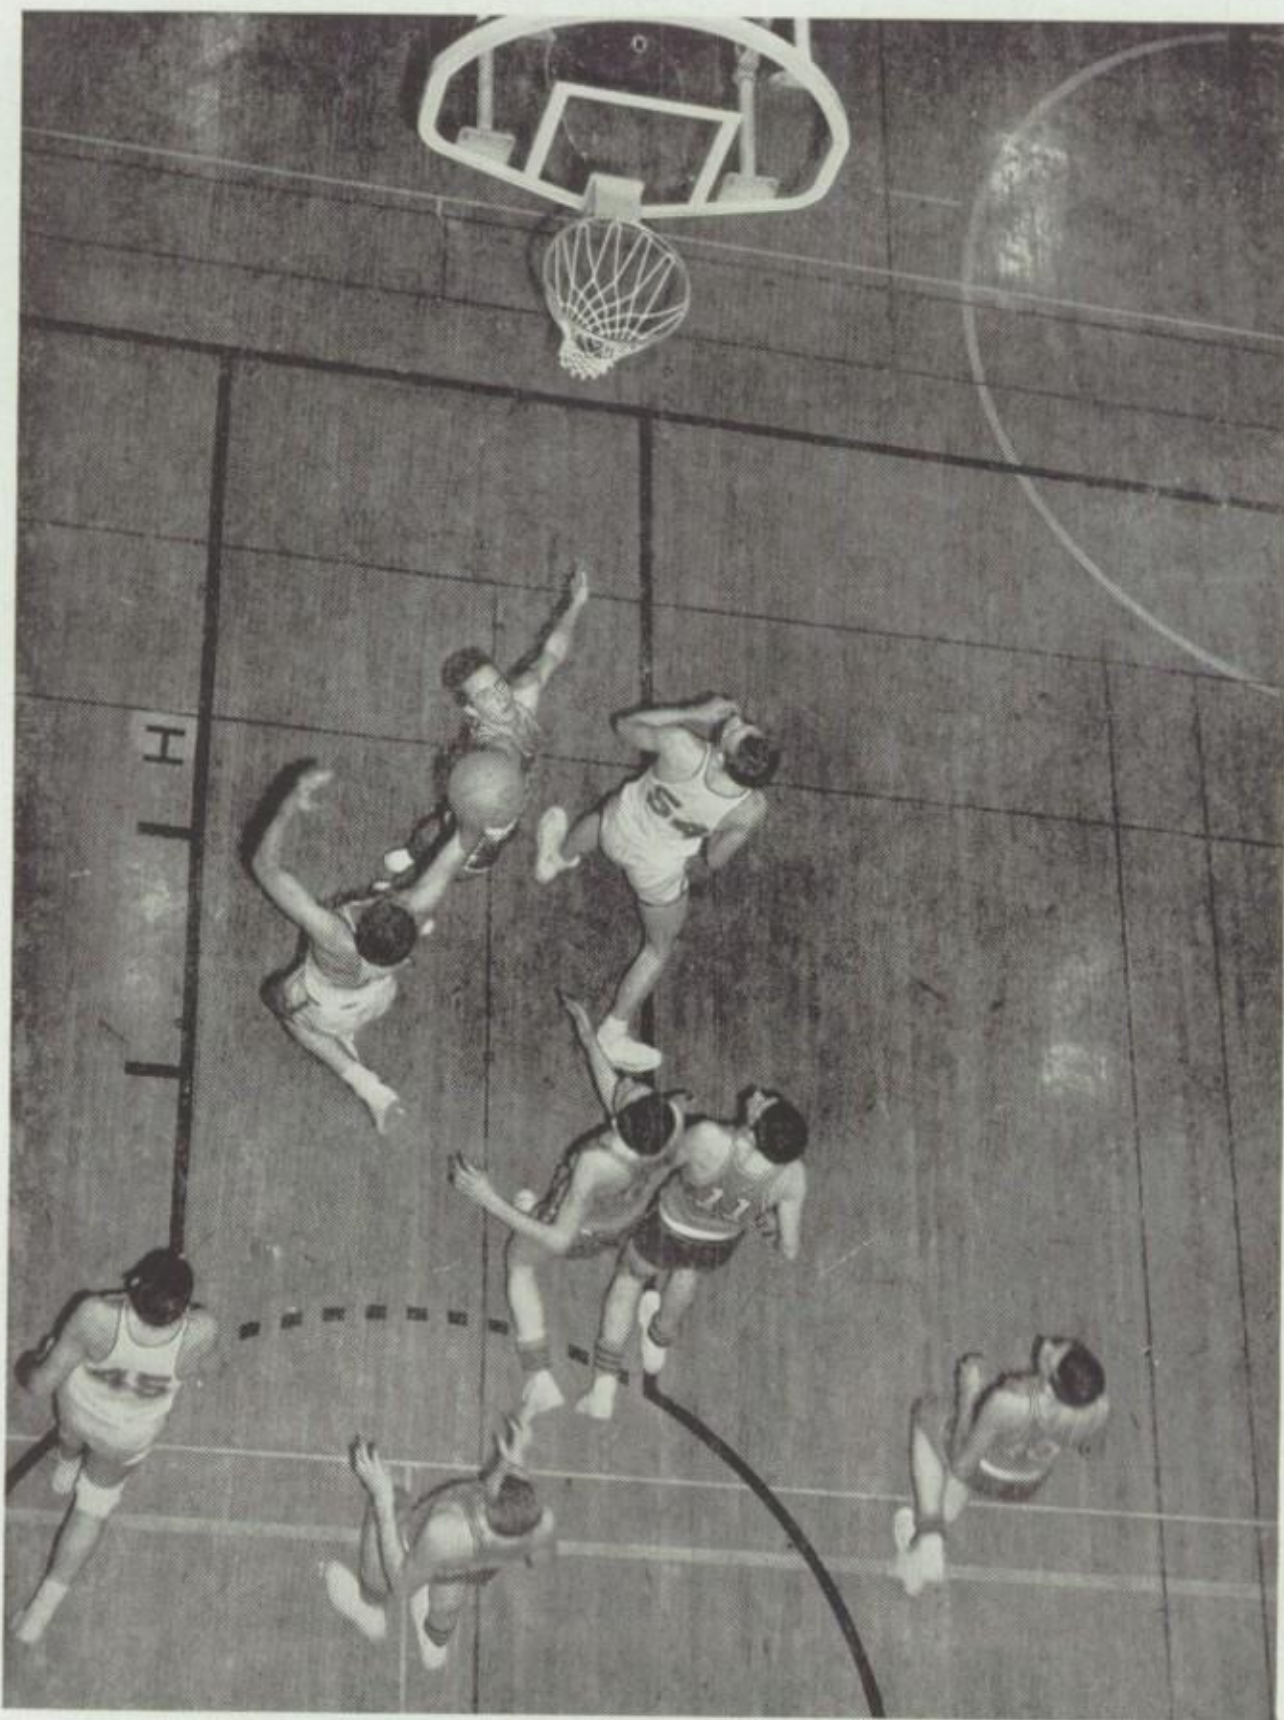

They appeared in the community Christmas parade, and will appear in the Memorial Day parade.

The corps this year was comprised of Jan Jurena, the captain, Connie Obrenoff, Mary Ann Colletti, Carol Wickhorst, and Lois VanZile. Miss Mary Klement sponsors the group.

The Varsity football team, in its first season with Mr. Wehrli as head coach, showed vast improvement as the season progressed. Squeezing past LaGrange in the season's opener, the Huskies plunged into league competition. Their fortunes also took a plunge. They lost their first three league contests, but hard practice paid off when they snowed under Evanston, Niles, and Morton on successive Saturdays. They capped the season by playing Proviso, the league champs. In as tense a game as the Huskies have ever been involved in, they played outstanding ball; the outcome was in doubt until the closing minutes of the game, when the Pirates scored to beat us by one point.

Assistant Coaches Ebel and Doolittle, in their first season here, helped mold a team which produced three first-string All-Suburban League players—Leigh Rawson, who was also All-State, John Hartford, and Bob Iverson. The team elected Rawson and Hartford co-captains.

Coach John Wood, nearing his thirtieth year as soccer coach at Oak Park, started this season with an inexperienced bunch of boys and shaped them into a team which, when compared with the other soccer teams in Illinois, was one of the best. The team, starting out very unimpressively, improved every week. It won five out of the last six games and finished with a record of seven wins and five losses. In two of the games during which the Woodsmen were playing their best ball they were able to score twenty-four goals compared to their opponents' two. This ranks them with some of the other outstanding soccer teams in the history of Oak Park.

Mr. Wood was assisted by Mr. Hawk, Mr. Witsman, and Mr. Brown in coaching the more than eighty boys out for soccer this year. The team elected Dick Wheeler and Ed Bulger co-captains. Grote, Borden, and Bulger were chosen for the first-string All-State Team.

Pratt, Cram, and Fandell, the happy Harriers.

Coach Harshbarger turned out a Varsity cross country team this year that was very well balanced; everyone out for the team worked hard to give us the best season possible. The Harriers beat Morton, Niles, and Hinsdale, while tying Waukegan. When these scores are set against their five losses, to Proviso, Evanston, LaGrange, Austin, and Bloom, they result in a tie for third in the Suburban League. The boys took a clear third in the Invitational Meet. They elected Arnold Zimmerman captain.

The Fresh-Soph Harriers, one of the strongest cross country teams Oak Park has had in some time, had a record of eight wins and one loss; they beat Morton, Niles, Evanston, LaGrange, Austin, and Bloom. They came in second in both the Suburban League and Invitational Meet. Bob Smart was their captain.

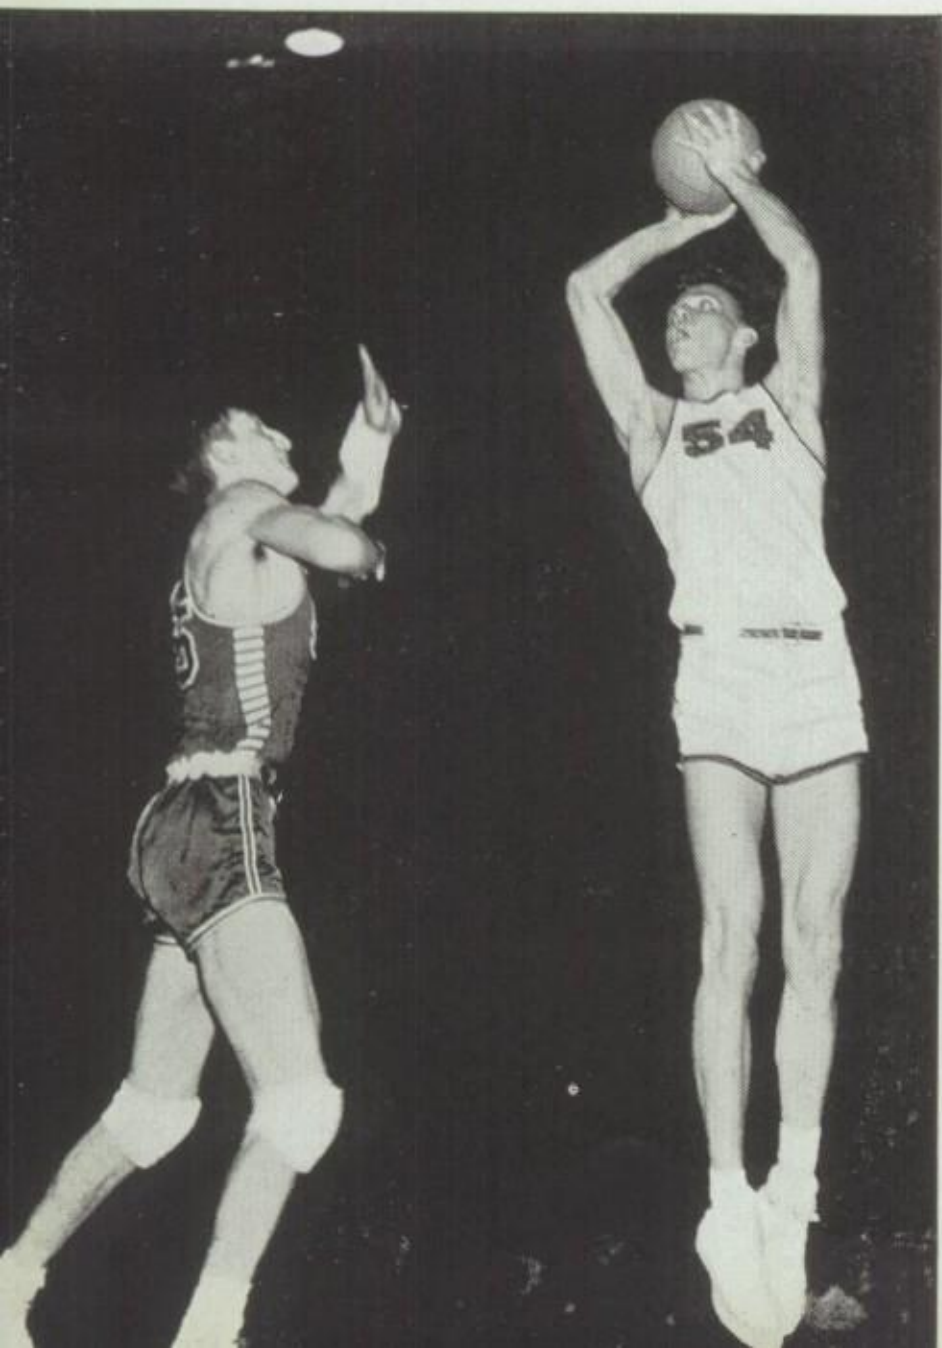

The Harriers practice and run meets in Thatcher Woods. Their course, which is usually about 1.9 miles, is a winding forest trail.

The Varsity basketball team under Coach Kinert gave us some thrilling games. The Huskies started the season with a pair of wins. Then began a long drought with only two wins in eleven contests. The latter part of the season produced a better percentage of victories.

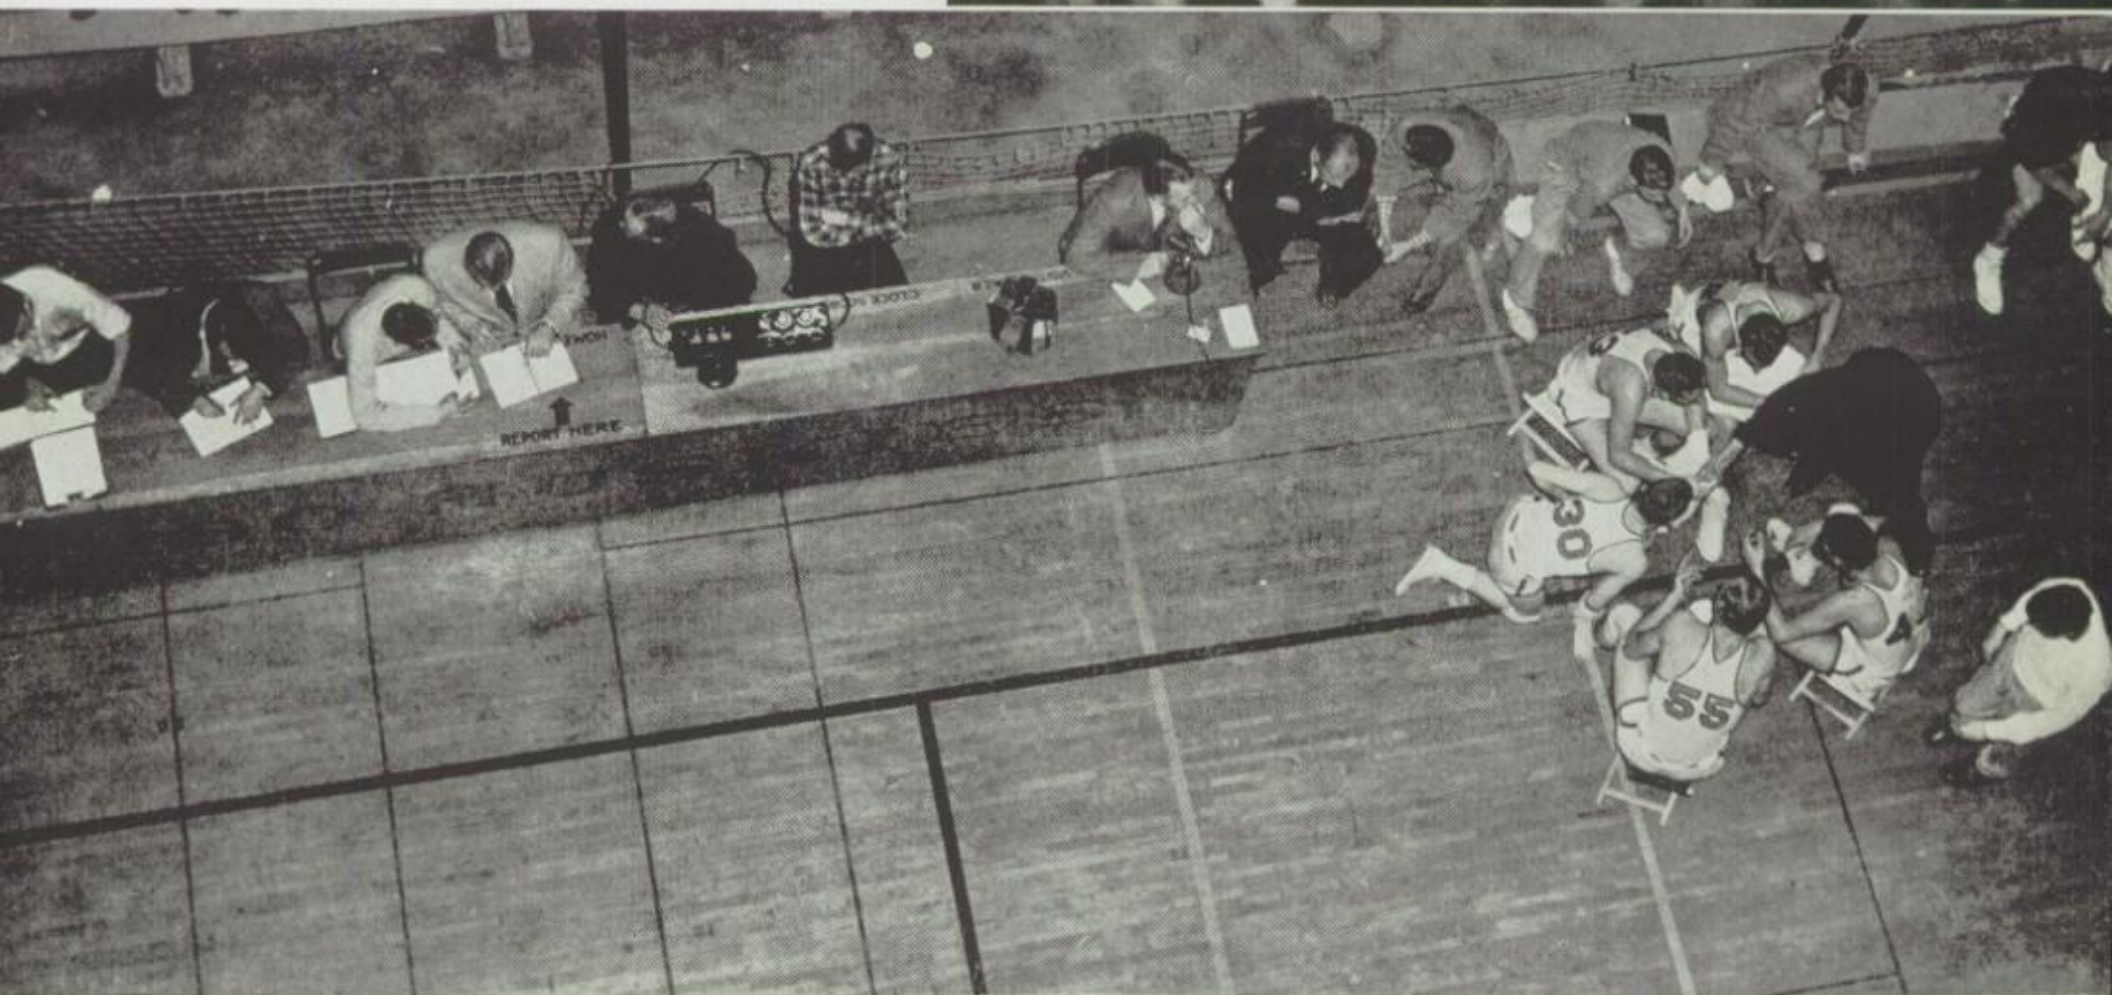

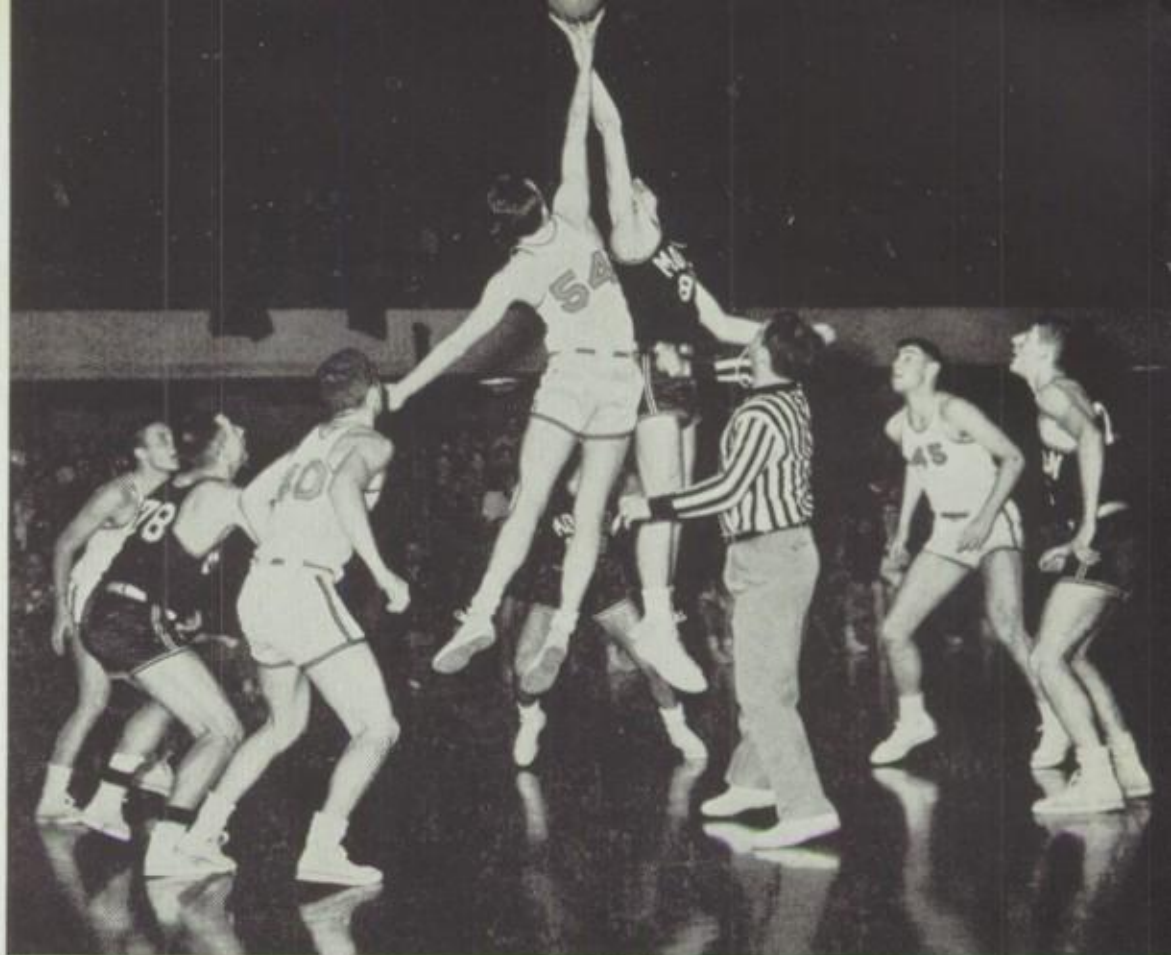

The high point of the season came when Oak Park traveled to Thornton and downed that South Suburban powerhouse. The first half saw the Huskies largely dominated by the Harvey boys. However, in the second half we found the range while Thornton went completely "cold." We finally won 55-46. We then closed the regular season with a prophetic loss to Proviso.

Our Huskies opened their regional competition by overwhelming Immaculate Conception and squeezing by York, thus winning the honor of facing the Proviso Pirates. A control game gave the Pirates a half-time lead of 6-2. The game opened up in the second half, and the Huskies finally succumbed, 41-30.

The team elected Ron Gustafson and Hylt Huseh co-captains.

The track team, under the direction of Coach Wright, had a very successful indoor season. The Troopers faced twenty-nine schools and were beaten by only two, Evanston and New Trier, both of which were later downed by Oak Park.

The first big meet, after a number of small meets, was the second annual All West Suburbs Meet. The Troopers bested seven non-Suburban League schools to win this meet. The following week our Varsity took third place in the Suburban League Meet held here. The Frosh-Soph Troopers, unusually strong this year, won the underclass league title. The season was climaxed by the Troopers' unexpected victory in the largest indoor, high-school track meet in the country, the Oak Park Relays. Over one thousand contestants from all over Illinois were entered this year.

Coaches Harshbarger, Means, and Noth will continue to help Mr. Wright in the outdoor season which, it is hoped, will be as successful as the indoor. Bob Charles and Ev Nienhouse, two of the team's outstanding runners, are this year's captains.

This year's swimmers, under the guidance of Coach Kogen, enjoyed a most successful season, winning nine dual meets and losing two. This dual meet record placed our tankmen third in the league. They also took third in the League Meet, and fifth in the State Meet. Jack Powers successfully defended his crown in the fifty-yard freestyle in the latter two meets, netting a new league record. In the State Meet, Lee Fitzhugh, captain elect, placed sixth in the two-hundred-yard freestyle, and the freestyle relay team of Powers, Palmer, Nave, and Fitzhugh placed second. Jack Powers and Don Rogers were captains for the Varsity during the past year.

The Frosh-Soph squad also enjoyed a very fine season, losing only two of ten dual meets. Elmer Pruske and George Bockwinkel were elected captains for the past year.

The Varsity baseball team, under the direction of Coach Kaiser, starts practice shortly before spring vacation and works straight through the vacation, playing several practice games. Once school starts again, the boys plough into their league schedule. The Suburban League this year is the toughest it has been in some time; New Trier has most of last year's boys, largely the same team which went to the national finals in American Legion baseball. Proviso has most of last year's state-championship team back. Other league teams appear unusually strong. Fortunately for us, however, the Huskies are stronger, too.

Mr. Swanson, the sophomore coach, and Mr. Hawk, the freshman coach, have considerably better material than last year, thanks to the Pony League and the playground's Summer Baseball School.

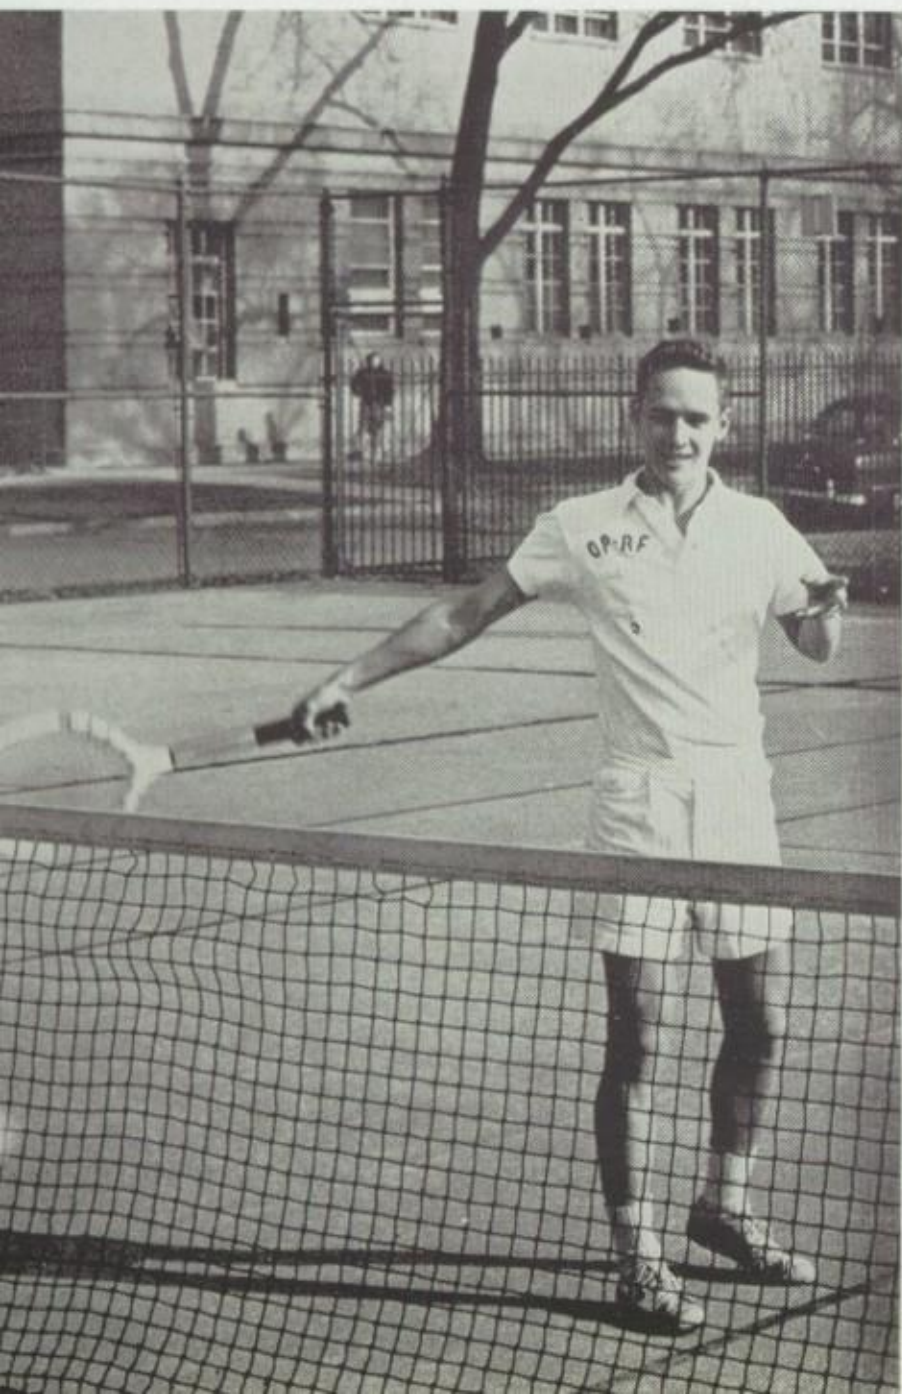

Our baseball teams are working hard and their work is showing in fine play on the field.

The Oak Park tennis team has won the state title for the past six years. Last year Coach Witsman's boys won, in addition to the state team championship, first and second place in state individual competition. Probably no other team in the history of the competition has achieved such a grand sweep. This year's team can be expected to carry on Oak Park's fine tradition in tennis.

The Suburban League title is always decided on the dual meets won and lost over the season as a whole. There is also a Suburban League Meet in which the individual champions are picked. Over the years Oak Park has been extremely successful in this meet.

The team starts practice right after the basketball season ends, works straight through spring vacation, and starts its schedule of meets after vacation ends. This sport generally attracts twenty-five to thirty boys.

BACK ROW—Brown, Wohlford, Sjostrom, Nichols, Lagerloff, Coach Wehrli.
FRONT ROW—Haller, Accardo, Klink, Kaufman.

Golf

The golf team, under Coach Wehrli, practices regularly at the Oak Park Country Club. The team holds its dual meets there too. This season the team, which generally consists of from twelve to fifteen players, will be fighting for the Suburban League title, which is decided on the basis of dual meets won and lost.

Coach Wehrli encourages promising underclassmen to come out. He spends a great deal of his time developing this talent, in addition to his work with the more experienced players.

Equipment Managers

Just as the army must have its quartermaster corps, our athletic teams must have the equipment managers. Serving all of the teams in school, the managers work from September to June, distributing uniforms, medical supplies, and miscellaneous equipment to our athletes. These boys serve the school well, and deserve a great deal of credit.

BACK ROW—Mr. Padula, Kolar, Juber. FRONT ROW—Sloan, Teich, Popken.

Intramurals

Gloor practices putting the shot.

With our new addition to the fieldhouse it will be possible to expand the intramural program, somewhat disrupted by the construction this year. The full program for next year will include tennis, flickerball, handball, track, bowling, ping-pong, water

polo, swimming, basketball, wrestling, badminton, volleyball, golf, softball, and soccer.

Mr. Anderson, the Intramural Director, and Mr. Scott, the Assistant Director, have done fine work in providing this extensive after-school program for boys in gym.

Girls' Sports . . .

. . . Teach Teamwork

Tennis

Tennis is offered during two quarters of the school year. The advanced classes meet during the fall quarter and the beginners meet during the spring quarter.

The tennis team won all its meets against competitive schools. The top singles players were Virginia Carpenter and Katherine Gervais. Betty Phillips and Virginia Wilson were the top doubles team.

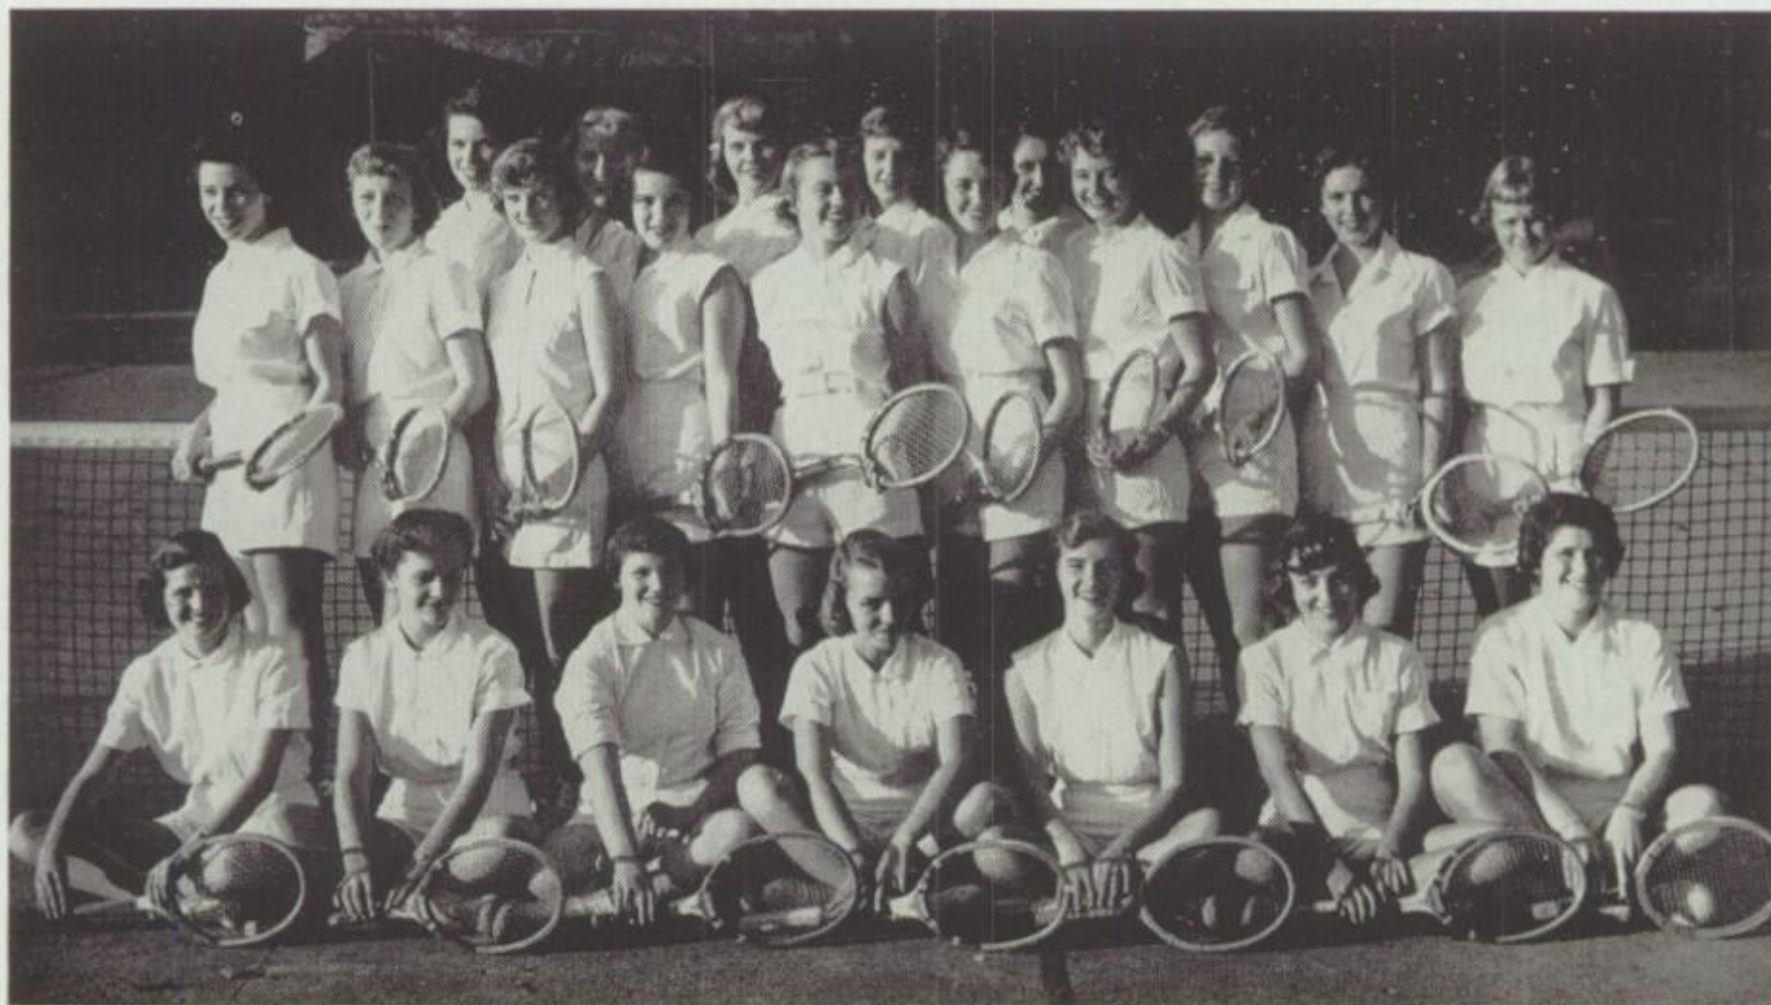

Ginny Carpenter returns the ball.

Betty Phillips watches her partner serve.

Tennis Team

BACK ROW—M. Phillips, Brown, B. Phillips, Thiesse, Gervais. SECOND ROW—Glick, June, Wilson, Kipnis, Ratcliff, Morgan, McEachran, Spurgeon, Spranger, Fox. FRONT ROW—Williams, Schild, Bramhall, Redfield, Holland, Klecka, Carpenter.

Hockey

BACK ROW—Wilson, Lewis, Fick, Reed, Agne. SECOND ROW—Jack, Bolen, Crandell, Darby, Storer. FRONT ROW—B. Phillips, M. Phillips, Collins, Wickhorst, Kempf.

Hockey is one of the main sports offered in gym classes and after school during the fall quarter. Each class chooses a team to represent it in the inter-class tournament which is held at the end of the quarter.

This year there were three advanced hockey classes meeting during first, fourth, and eighth periods. These classes were made up of girls who had previously had hockey, either in class or after school.

In the final game of the tournament, the first period team beat the eighth period team.

Sandy Williams and Ruth Sebeck bully.

Basketball

Basketball is offered in the classes and after school during the winter quarter.

In the classes, the fundamentals and the rules of the game are taught. After obtaining a basic understanding of the game, the class is divided into teams which play against each other both in games and in warm-up relays.

After school, the nights open for basketball are spent in preparation for the tournament held at the end of the season. This year a round-robin tournament was held over a period of a week. The sophomore team was the winner.

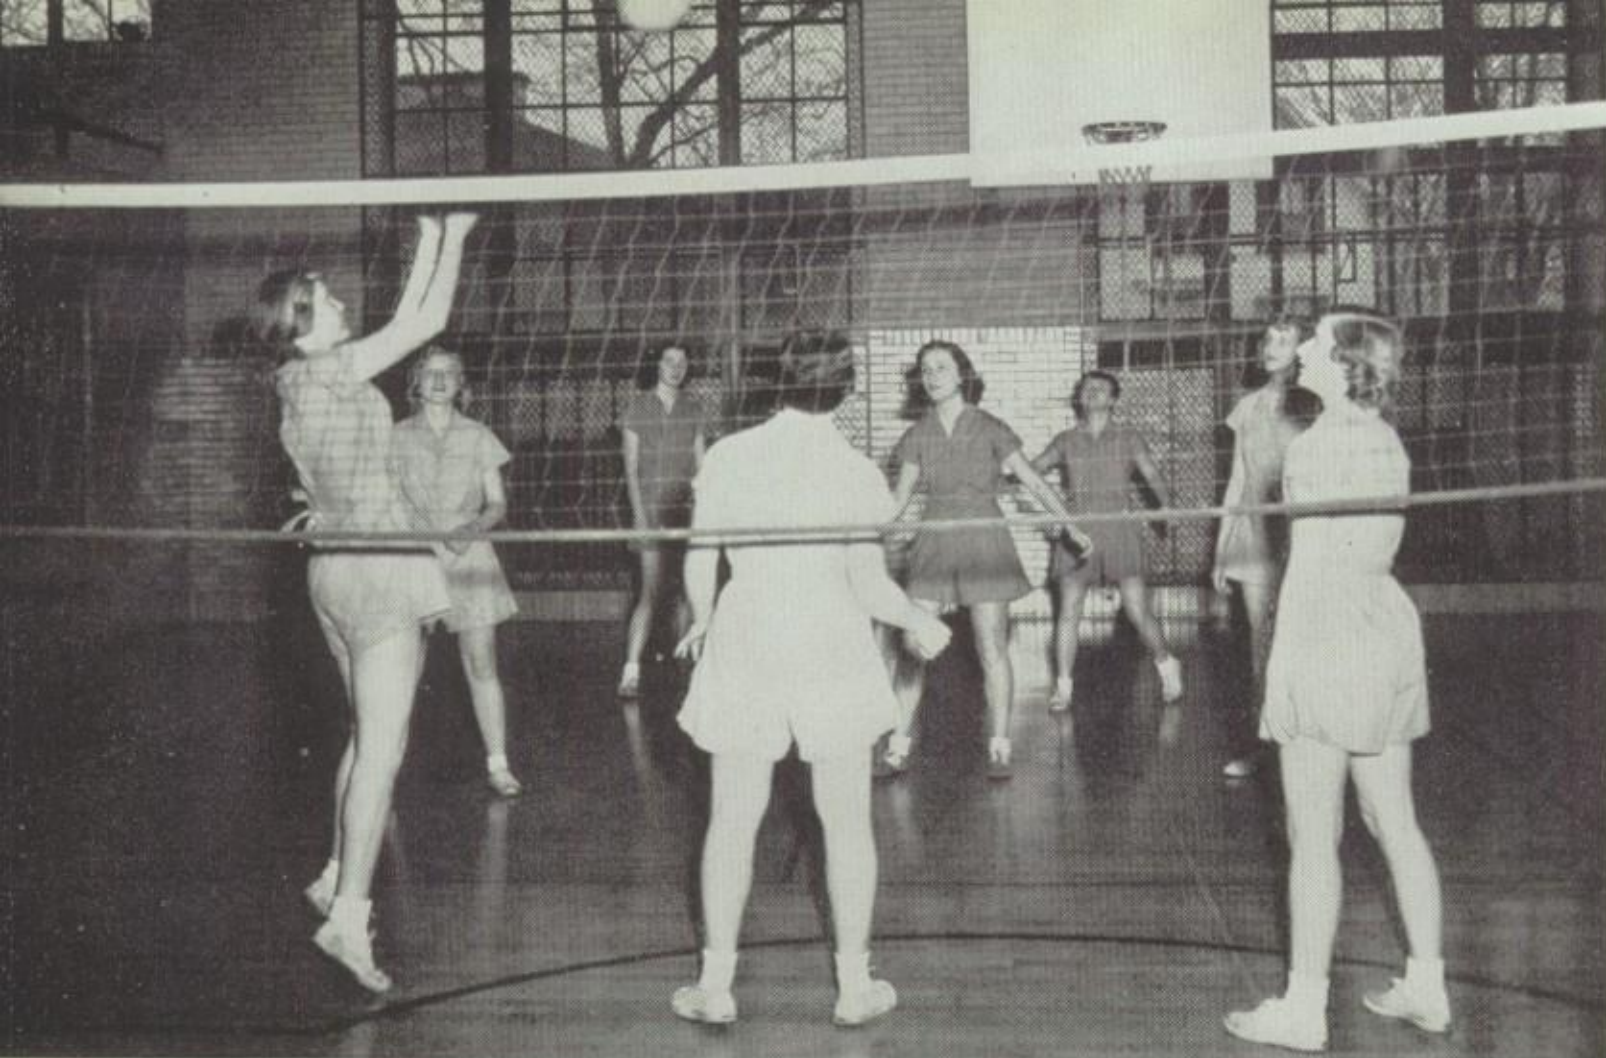

Oops! She missed.

Basketball Team

BACK ROW—Nerad, Bolen, Hallam, Mikulski. FRONT ROW—Scheldrup, Ross, Sears, Rehfeldt, Agne.

Betty Phillips passes the ball to a teammate.

Volleyball Volleyball is played during the winter quarter. As in all other sports, the fundamentals are stressed. In after-school play, teams are chosen for the tournament.

Volleyball Team

BACK ROW—Milles, Carpenter, Eckel, Marsh, Dahm, Moore. FRONT ROW—Fox, Morton, Ellis, Halvorson, Nerad.

The girls make a pretty splash.

Swimming

Swimming is one sport which is offered the entire year. Beginning, advanced, Red Cross, and synchronized swimming make up the program.

Swimming Team

BACK ROW—VanZile, Flagler, Bolen, Graves, Carpenter, Jurena, Miss Meister. SECOND ROW—Townsend, J. von Rosen, M. C. von Rosen, Joslyn, Albright, Spranger, Collins. FRONT ROW—Nerad, Lloyd, Hume, Lundy, Kennedy, Callow.

Speedball

Carrole Collins lifts the ball to Maellen Jack and Marjorie Lewis.

Baseball

During the spring quarter, speedball and baseball are offered in the classes and after school.

Speedball is a combination of hockey, football, and soccer, and is played on the same-sized field as hockey. The classes are instructed in dribbling, kicking, and passing, all needed for good playing. As speedball is a strenuous game, it is necessary for the girls to learn the correct way of playing so as to prevent accidents.

Girls in the baseball classes are instructed in the rules of the game and told how to put them into effect. The classes are divided into teams which play each other. After school the different classes are assigned to different nights, and from the girls who come out to practice, a team is chosen to represent them in the tournament which is held at the end of the year.

Miss Victorik calls Kitty Agne out as Sandy Williams catches the ball.

Jeanne Neuman, Angeline Blashewski, and Carol Lehwald take aim.

Archery

Archery is offered in classes and after school in the fall and again in the spring quarter. In class, the fundamentals of good form in shooting are practiced. After school, the targets are free for any girl interested in practicing. Of the nights after school open for archery, one night is set aside for the advanced archers. These girls are the members of the archery team.

Bowling is also offered in class and after school. However, this was the first year that it was included in the classes. There, the girls were taught the correct method of bowling, using a baseball for the ball and Indian pins in place of the regular bowling pins. For actual playing, girls went to reserved alleys.

Near the end of the bowling season a telegraphic meet is held, with thirty schools throughout the state competing. This year Barbara Wilford was entered in the meet with the highest average score of all competing from here.

Bowling

Carol Krueger bowls them down.
